**Subject: Request your Support for Earth Hour
on Saturday, 22 March 2025, 8.30 pm - 9.30 pm**

WWF-India (World Wide Fund for Nature - India) is dedicated to conserving our natural world. Our mission is to build a world where people and nature live in harmony.

WWF's Earth Hour is a powerful global movement that originated in 2007. Every year, on Earth Hour, people around the world unite through the voluntary action of switching off non-essential lights for one hour. The campaign helps bring conservation and sustainable practices into focus, creating a better world for future generations.

This year, Earth Hour will be observed on **Saturday, 22 March 2025, from 8.30 pm to 9.30 pm**. The synchronised Switch Off will create **'The Biggest Hour for Earth'**.

We request your kind support in:

- Switching off all non-essential lights on Saturday, 22 March, from 8.30 pm to 9.30 pm, in establishments under your jurisdiction.
- Releasing a public message from your office, encouraging the people of Bihar to observe Earth Hour at the same time.

WWF-India will be honoured to have your support in this campaign.

Sincerely,

Ravi Singh
